

# Developments

## Are you looking at investment property and thinking developments?

If your answer is yes, then Cicirello Homes can help!

### STRATA LOT SUBDIVISION, UNIT DEVELOPMENTS, AND MORE ...

Whilst we're renowned for building custom homes, property development is something of a specialty here. Whether you're thinking of a small strata lot subdivision project or a series of multi-unit developments, with Cicirello Homes you get more than just a first-class end product. You also benefit from our wealth of experience, with personalised guidance through the research, planning, design and construction process. Our experience shows that a personalised approach saves valuable time and money.

### CUSTOMISED PROPERTY DEVELOPMENT ...

We pride ourselves on personalising the process, not only to make it more enjoyable for you as a developer, but also to ensure it's as efficient and cost-effective as possible.

Our experience is here for you to draw on, and our team is here to take the stress out of the equation by proactively managing everything on your behalf - permits, approvals, everything - as well as build a development of the highest quality, of course.

To learn more, refer to our '**Value by Cicirello Homes**' flyer and see the additional benefits you receive when building with Cicirello Homes.
