

SPECIALISTS IN HARDWOOD PROFILES

Trust the specialist in hardwood profiles to deliver the service you expect and the quality you can always rely on.

Welcome

Our business is built on trust. Ever since our beginnings in 2004 we have worked hard to win the confidence of our customers; by consistently providing the best quality products & the highest standard of service. Over the years we have grown & developed rapidly; continuing to release innovative products and attracting more customers.

Today we are in a better position than ever, not only to meet, but exceed *your* expectations. Our extensive resources are only matched by a product range which can encompass every style and suit every taste. Although our range is exceptionally wide and varied, there is one thing you can rely on – Mortlock Quality.

- DECKING
- SCREENING
- LINING
- FLOORING
- CLADDING
- STRUCTURAL TIMBER
- JOINERY

It's a combination of in depth knowledge and extensive resources that delivers perfect results – every time.

Over the years Mortlock Has brought together and developed, some of the most experienced and knowledgeable people in business. With many of our team 3rd generation timber specialists, having links in the timber industry for over 80 years; it is this specialist knowledge and experience, that will give you confidence to offer a unique project for your clients from design right through to completion. Our purpose built processing factory and extensive premises, provides us with first class facilities. We also have the scale of operation to carry extensive ranges and maintain large stocks. This is all supported and maintained by tried and trusted service and quality assurance systems which is why you can rely on Mortlock Timber to deliver as promised, as a matter of routine.

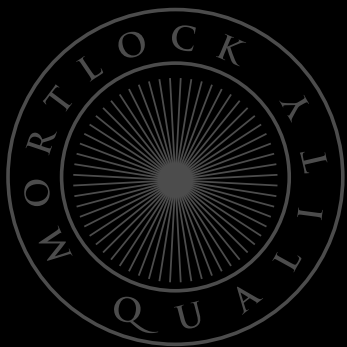

*When you have a quality product backed up by a quality service
– the results speak for themselves.*

We always insisted on quality, from raw, materials through to the finished machined product. Only through this rigorous quality control at every stage of the process can we ensure the best results every time. We carry large stocks of raw material and finished product for excellent availability. Decking, Screening, Lining, Composite products, Overlay Flooring, Solid and Engineered Flooring. It doesn't end there. Over the years we have refined and honed every aspect of our business to deliver the best. Through our streamlined production process and stock management procedures, we can deliver on time every time
