At Bartenderz we cater  
to all you event needs

## EQUIPMENT

Our contemporary bars provide the ultimate event backdrop but to truly compliment them why not include some furniture or decorations that we can make available to you. Having top relationships with some of the best hiring companies available, if we don't have what you need we can certainly source other items from our close contacts. From Marquees and chandeliers to illuminated dance floors to six seater handmade chesterfield dinner booths these are just some of the items we can use to create the night you're after.

## MOBILE BAR SERVICE

"At BARTENDERZ, we bring our bars to you!" Our contemporary, mobile, luminescent bars provide the ultimate event backdrop, adding sophistication, subtle elegance and style for every event.

## FABULOUS FOOD

We've been doing what we do for over 7 years now and we've worked with some amazing caterers, all with different strengths and all with diverse traits to offer.

As with everything we do, we like to provide 'wow factor'. We know food teams that have the same passion for uniqueness and quality as Bartenderz so we suggest them when we think they might suit what you are looking for. Good, quality food, but served with edge and difference.

If you already have your own caterers or want to do food yourself, no problem. We're more than happy to work with your caterers, but able to suggest one of our own catering affiliates if that's what you're after.
