The Game: The group is split down to teams of 5; each team is given a workstation with equipment and ingredients. Our Mixologist come presenter will demonstrate cocktail number one, the teams will then race against each other to recreate the cocktail, a winning cocktail is picked based on taste, style and presentation! This is repeated 4 times so that each member of the group can make a cocktail!

The Competition: With their new found skills each team must now create a bespoke cocktail, then present this to the group, the instructors will choose an overall winning cocktail!

### READY...STEADY...SHAKE!

**Number of guests:** 20 - 40 (minimum charges apply for groups under 20)

**Cost:** \$90 per head (price includes City Centre location room hire, 1 cocktail + 1 beer, wine or soft per guest and a selection of delicious Tapas)

**Duration:** 2 hours

**Type:** A creative experience designed to promote teamwork and creative thinking, An ideal way to get your delegates thinking about your core company values in a fun and relaxed environment.

Overview: Reception Cocktail on arrival, followed by an Introduction and Health and Safety briefing.

The Cocktail Hour: Our expert mixologist will demonstrate a number of classic cocktails, exhibiting the basic methodologies of mixology, guests are encouraged to sample the different drinks to gain a better understanding.

The Mixology Mission: In groups of 5-6 you are given a mystery box of ingredients and asked to design a bespoke cocktail, (this can be tailored to fit in with your company or a specific theme). The teams will have to come up with an original name for their cocktail and prepare a presentation to convince the judges that their cocktail best fits the brief. Each team will have an allocated time slot behind the bar to practice making their cocktail once.

The Presentation and Competition: Each team will then be asked to make and present their cocktail at the bar to the rest of the group. The instructors will select the winning cocktail and award prizes.
