About

VIBO®

Innovative Style for Today's Modern Lifestyle

VIBO prides itself on delivering stylish storage solutions in stunning contemporary designs that ensure optimal use of space. In response to the need for maximum space utilisation and organisation in the kitchen, VIBO have developed a range of solutions for your Pantry, Corner, Waste and Wardrobe spaces.

With the union of design and functionality, you can be assured VIBO products are practical and aesthetically pleasing. Using the latest technology in running components and systems, your investment in Vibo will provide you many years of comfort and satisfaction.

All VIBO products adhere to the highest quality standard and are manufactured in Italy.

Galaxy Range

New Galaxy Range from VIBO

To keep up with the demands and changes to the modern lifestyle, VIBO constantly seeks to improve on the design and functionality of their wireware products.

The new Galaxy range has a white, non-slip melamine base and chromed edge. The wire is elliptically shaped and made from high quality structural steel that is extremely aesthetically pleasing.

Please ask your Nessco Sales Representative for more information on the new Galaxy range by VIBO.

Wireware Range from VIBO

VIBO prides itself on being able to offer innovative solutions for your kitchen with stunning contemporary design to suit today's modern lifestyle.

Using the latest technology in running components and systems, you can rest assured that your investment in VIBO will provide you with many years of comfort and satisfaction.

The VIBO wireware product range includes our premium range of underbench units & corner units.

Contents

6 Pantry Solutions

Impressive, high-quality wireware for your pantry. Choose from our range of stylish solutions designed to suit your every need.

19 Corner Solutions

The perfect solution for those tricky corner spaces. VIBO's corner solutions allow you to optimise the space in your kitchen.

25 Pull-Out Solutions

The Pull-out range from VIBO includes a range of elegantly designed storage display solutions that add a touch of class to the overall finish of your kitchen.

35 Waste Solutions

VIBO kitchen bins are suited to today's busy life-style. As well as being functional, VIBO kitchen bins have also been designed to use your space most efficiently.

VIBO Pantry Solutions

VIBO Galaxy Swing-Out Pantry

- 20kg front frame load capacity
- 80kg capacity
- Height: 1700mm
- 2 widths: 450mm & 600mm cabinet width
- Soft closing feature by hinge (not included, 165° hinge needed)
- Chrome wire finish with non-slip melamine bases

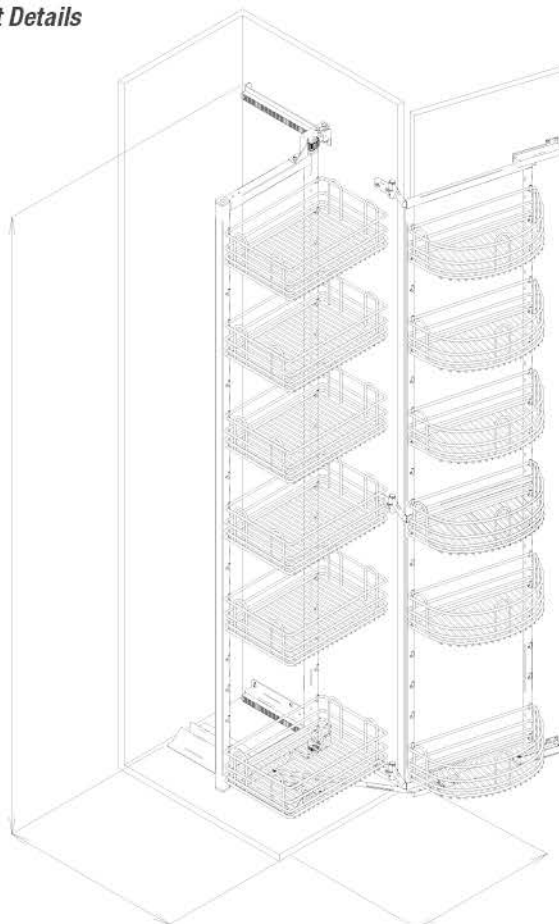

The Galaxy Swing-Out Pantry is the perfect storage solution. The baskets move automatically to the front, for easier access as the door is opened. Install two side-by-side for the ultimate gourmet pantry. A modern storage solution to the common kitchen pantry.

VIBO Pantry Solutions

VIBO Galaxy Maxi Larder

- Reversible left or right
- Height adjustable 1920 - 2180mm internally
- 80kg capacity
- 2 widths 450mm & 600mm
- Soft closing feature by hinge (not included, 165° hinge needed)
- Chrome wire finish with non-slip melamine bases

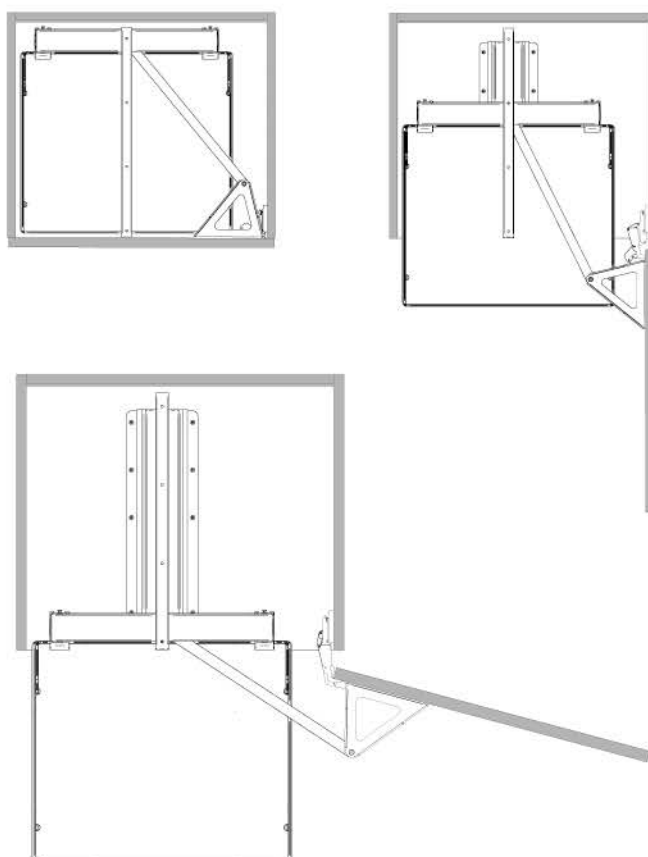

The Galaxy Maxi Larder unit is another example of Vibo's innovative pantry solutions. Once the pantry door is opened, the baskets slide all the way out of the cabinet. This allows you to easily access your pantry without moving items to get to the back.

VIBO Corner Solutions

VIBO Galaxy Pull-Out Smart Corner Solution

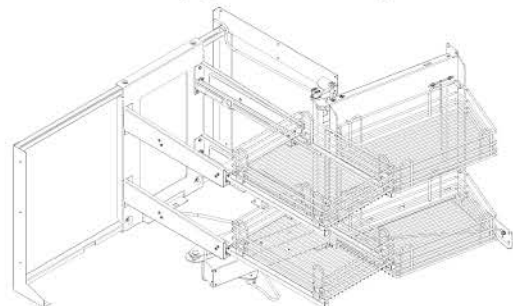

- 450mm base cabinet door
- Door mounted unit
- 2 full extension soft closing internal drawers
- 2 door baskets
- Baskets are with elliptical flat structural steel 10 x 4mm, white non-slip melamine bottom and chromed edge.
- Non reversible: right≠left

The Galaxy Pull-Out Smart Corner solution allows you to reach corner cabinet spaces that were previously wasted. When the cabinet door is opened, the first set of baskets come out which triggers the corner set of baskets to slide across and outwards allowing for ease of access and full visibility of items.
