Welcome

HBF Stadium is one of Australia's leading multipurpose venues. Each year over 1 million people visit the venue for a variety of events, activities and training purposes. It's the perfect place for exhibitions, concerts, functions and seminars.

In the past 20 years we have hosted countless outstanding international events. In addition to our huge flexibility in having the function facilities to host these events, we offer a world championship aquatic centre, gymnastics facility, fitness centre, crèche, pilates and yoga studio, fitness classes and much more.

HBF Stadium has three dedicated function rooms which cater for a wide variety of functions, seminars and meetings, as well as a lecture theatre, outdoor poolside barbecue facilities and a huge main arena that can be configured hundreds of ways. It is one of the biggest clear function rooms in Perth at a massive 2.1km².

Sitting alongside HBF Stadium, within the Mt Claremont Sports Precinct, are the WA Athletics Stadium and WA Basketball Centre. Built in 2009 and 2010 respectively these two venues offer more function facilities and catering for small meetings through to corporate dinners.

VenuesWest is proud to own and manage venues located within the Mt Claremont Sports Precinct.

Testimonials from our clients

I want to say a big thank you to you and the team for a fantastic job well done. I have had many people come to me to say that they had a great time and the food and beverage and location was fantastic. I hope we get a chance to work together again in the future.

— PRICEWATERHOUSECOOPERS —

HBF Stadium is without a doubt the one venue that surprises and surpasses client expectations on a regular basis. Working with the events team is also a joy. Nothing is too much trouble. They are prepared to look outside the box to achieve the best possible result for the client. Which is where we like to fit in. With a venue such as the Main Arena and a staff willing to back it's versatility, there are fewer limits to what can be experienced at some other venues. I have been very happy with the high level of service that I have seen provided. I would definitely recommend HBF Stadium and its events team to anyone seeking a venue with a difference. I look forward to the next event at HBF Stadium, as I know their fantastic potential will always be reached as a result of their efforts to take the clients experience that extra mile.

— PHENOMENON EVENT SERVICES —

Here's what some of our clients have to say ...

Champions Club

The Champions Club is HBF Stadium's premier function room with views extending over the main arena. The Champions Club is an ideal venue for workshops, training seminars, presentations and meetings. With a bar in the room, it is also perfect for corporate hospitality functions, cocktail parties and dinners. This room has a retractable projector screen, wall mounted 52" Plasma television and a dedicated in house sound system.

The Champions Club can accommodate a diverse range of styles:

	Guests
Boardroom	20
U-Shape	20
Classroom	60
Dining	100
Theatre	100
Cocktail	250

Half day*	\$461.00
Full day venue hire	\$554.00

Discounted rates apply for not-for-profit, sporting and government organisations

*Half day booking times are from 6.00am–12.00 noon and 12.00 noon–5.00pm
Staff costs may apply for bookings outside normal hours

**“...ideal venue for workshops,
training seminars, presentations
and meetings”**

Executive Suite

The Executive Suite is perfect for board meetings, workshops and training sessions. With the option of dividing the room through the middle, it also serves as an excellent breakout facility from our other rooms. Filled with natural light, its amenities include an in room bar for corporate functions, retractable projector screen, exclusive bathroom facilities and a dedicated in house sound system. Refreshments can be served either in the room or on the landing directly outside.

The Executive Suite seating options are:

	Guests
Boardroom	20
U-Shape	20
Seminar	30
Classroom	30
Theatre	40
Cocktail	80
Half day*	\$333.00
Full day venue hire	\$497.00

Discounted rates apply for not-for-profit, sporting and government organisations

*Half day booking times are from 6.00am–12.00 noon and 12.00 noon–5.00pm
Staff costs may apply for bookings outside normal hours

**“...perfect for board meetings, workshops
and training sessions...”**

Lecture Theatre

The John Bloomfield Lecture Theatre is a tiered theatre which comfortably seats up to 220 guests with ample presentation room for audiovisual displays. The room can also be partitioned to offer a more intimate setting, seating up to 80 guests. With a large 3 m x 3m wall mounted screen, a recent substantial upgrade of the room's audio visual system and four levels of lighting make this venue ideal for product launches, presentations, lectures and large group meetings.

Refreshments can be served in the room for groups of 40 and under, or in the foyer outside for larger groups.

Half day*	\$574.00
Full day venue hire	\$784.00

Discounted rates apply for not-for-profit, sporting and government organisations

*Half day booking times are from 6.00am–12.00 noon and 12.00 noon–5.00pm
Staff costs may apply for bookings outside normal hours

**“...ideal for product launches,
training presentations, lectures and
large group meetings”**

Main Arena

HBF Stadium's Main Arena is a dynamic space that can be transformed with black wall drapes, carpeting, silk roof canopies and mood lighting creating a unique and personalised atmosphere. With the use of a curtain on a moveable truss, the main arena can cater between 300-2000 guests.

	Guests
Dining	300-1500
Cocktail	2000

A myriad of theming and lighting configurations can be accommodated in this uniquely versatile function area. Theming companies have transformed the room into a winter wonderland (complete with snow), African jungle, Greek ruins, circus, carnival fun, kaleidoscopes and the Olympics.

We are proud to have hosted prestigious events for our high profile clients such as; the Perth Wildcats, Australia Post, WA Football Commission, Activ Foundation, University of Western Australia and Clough Engineering.
